time may be built, or risen to

This Dorchester House
Intended for Mayden Children 11:
where may be Contrived, in a long
Appartment, a Hall under, and two
Storyes of Lodgings over, of 130 foot
long Kitts walks, and Grounds, ten
Acres; where Tenements for Cityzens
Summers Reception, might have raise
a good Revenue to the Hospitall:
For the sake of courting this and the
Mansion House from it, the whole
Design was Ranag'd, and my
Family set against me to Obstruct
all Charity, keeping me in Prison to force the Sale
of all for the Advantage of 2 or 3 Mortgagees
